Green: G cut 1 - 4" by 1"

L cut 1 - 4 1/2" by 1"

Piecing:

I found it easier to lay out all the pieces in the design according to the diagram before sewing

Piece F to G to F

Piece C to J then add K pivoting at the JK join then add B square to each side

Piece R to both angles of M

Center BJCKB to RMIR and stitch then square up rectangle to 5" by 6 3/8" then add A rectangles to this rectangle

Piece I to H then add P pivoting at the IP join then make a square by adding Q

Piece O to L to O

Piece D to E then add N pivoting at the ND join then make a square by adding Q

Sew these 3 strips together
