A quick note from your editor...

As I complete my final DisPatch I want to thank all of those who have encouraged me along the way. I've had fun doing it however it is time for me to let it go. If you are looking for a way to help the Guild but have limited time. I encourage you to try it out. You don't need to be a wizard at some fancy program. I put this together in Microsoft Word and I'm willing to help the next editor get started.

Again, thanks so much for this great opportunity!
